

MEMORANDUM OF UNDERSTANDING

Between

Indian Academy of Highway Engineers

&

National Institute of Technology Warangal

For

Synergistic Collaboration

on

Training Programs

Memorandum of Understanding (MoU)

This Memorandum of Understanding (from now on called the "MoU") is entered into on 26th day of Sept. 2025, between:

Indian Academy of Highway Engineers (IAHE), an apex training institute imparts training to Road/Highway Professionals which is under the administrative control of the Ministry of Road Transport & Highways, Government of India, located at A-5, NH-24 Bypass, Institutional Area, Sector 62, Noida, Uttar Pradesh 201309, represented by the **Director IAHE**, from now on referred to as "IAHE",

And

National Institute of Technology Warangal (NITW), an institution of National Importance and the first in the chain of 31 NITs (formerly known as RECs) in the country, is poised to create an ambience for nurturing innovation, incubation, creativity and technical excellence towards achieving the sustainable development goals of India, located at National Institute of Technology Campus, Hanumakonda, Telangana 506004, represented by **Director NITW**, from now on referred to as "NITW".

From now on, the above two organizations will be jointly referred to as "the Parties."

NOW, THEREFORE, the parties have reached the following MoU:

Article 1

Objective:

The objective of this MoU is to establish a cooperative institutional relationship to encourage the advancement of education and training, foster innovative training, and promote collaboration to enhance the skills and capacity building of Highway professionals.

Article 2

Area of Co-operation:

The Parties herein will provide each other endeavor to carry out the collaboration in training to meet the evolving needs for Safe, Sustainable & Efficient development of the Highway Infrastructure of India.

ए-5, सेक्टर-62, नोएडा-201309 उ.प्र.
A-5, Sector-62, Noida-201309 U.P.

- 2 -

The purpose of this collaboration is to promote the Capacity Building of Highway professionals through training courses aimed at enhancing their knowledge, skills, and professional development by the following:

- (i) Capacity Building and Training Programmes
- (ii) Faculty exchange
- (iii) Joint Programmes apart from training such as Workshops/Seminars
- (iv) Sharing of Facilities of both the institutions

Article 3

Scope, Roles & Responsibilities:

Scope:

The collaboration between the parties may include, but is not limited to, the following activities:

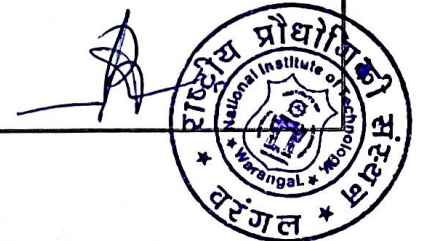

- a) The Parties shall hold periodical consultations as necessary to implement this MoU.
- b) Specific details of procedures and programmes for exchange and cooperative activities will be decided through mutual consent
- c) Conduction of various mutually planned and agreed training programs for Highway Professionals. These programs may be conducted at the IAHE campus in Noida or the NITW campus in Hanumakonda.
- d) Both parties will exchange faculty members and Subject Matter Experts to effectively achieve the mission of this MoU.
- e) Both institutes will share the infrastructure required for training, making this collaboration impactful.
- f) Both institutes may participate in conferences, symposiums, and other academic events to showcase collaborative efforts and disseminate knowledge.

The scopes above are intended to enhance the impact of this collaboration, as both institutes, IAHE & NITW, have the potential to reach nationwide coverage.

Roles & Responsibilities of IAHE & NITW:

- a) The nomination of participants, timing, duration etc. of training programs will be determined through mutual consultation between both institutes.

A-5, Sector-62, Noida-201309 U.P.

- b) If the training program occurs at IAHE's Noida campus, IAHE will provide all necessary training infrastructures for NITW faculty members and participants.
- c) If the training program is held at the NITW campus in Hanumakonda, NITW will provide all required training infrastructure for IAHE faculty members and participants.
- d) Both Parties will exchange detailed course content and educational resources, including learning materials and curricula.
- e) Any financial implications arising out of the exchange of faculty or facilities in each party's premises shall be decided by mutual consent and agreement of both parties.
- f) Both institutions will adhere to all relevant laws, regulations, and institutional policies governing collaborative activities.

Article 4

Validity of MoU:

This MoU shall come into effect on the date of its signing by both institutes and shall remain in force for 05 years unless terminated earlier by mutual agreement. The MoU may be renewed upon expiration with mutual consent from both institutes.

Article 5

Amendment:

Any amendment or modification to this MoU shall be made in writing and duly signed by authorized representatives of both parties by mutual consent during its validity. Any difference arising from the MoU's interpretation, implementation, or application shall be resolved amicably through consultation between the Parties, represented by the respective Competent Authorities.

Article 6

Termination

Either party may terminate this MoU by providing a written notice to the other party at least 60 days before the intended termination date. Termination of this MoU shall not affect any ongoing collaborative training programs or commitments unless otherwise agreed upon by both institutes.
